

This timeless, simple, and clean design would not compromise the harmony of your contract or domestic interior. As Lap Collection, Oris is composed of a ring that contains different finished frontal coverings.

You can place Oris Smart Electric Heater horizontally or vertically in any interior and easily control it with your mobile device. You only need to decide what is more suitable for your space. The mysterious Oris strong Graphic Touch with the black finish adds luxury to the interior, while the Chic Touch with the golden finish appeals to the bold type. The Clean Touch with mirror effect brings one more function to the space.
